Abstract

© Medwell Journals, 2015. The study describes the experience of political cooperation between EU and UN concerning the Cyprus problem from 2002-2004. During this period UN initiated a Cyprus settlement and developed "Annan Plan". In the course of this project practical implementation the interaction of EU and UN formats occurred. This study examines the peculiarities of the phenomenon. Specific facts illustrate the results of international actor interaction in respect of the Cyprus problem.
